Autrans-Méaudre en Vercors, FRANCE

# XXII<sup>nd</sup> COLLOQUE GANIL

## 22<sup>nd</sup> COLLOQUE GANIL

Autrans Meaudre en Vercors, September 27<sup>th</sup> – October 1<sup>st</sup> 2021

### Third & final announcement

The next GANIL Colloque will be held in the Vercors Mountains, in Autrans Meaudre en Vercors in the French Alps .

The purpose of the conference is to review and discuss the research carried out at GANIL and the related activities at similar facilities around the world. Traditionally the Colloque will cover the range of topics addressed at GANIL:

- Nuclear Structure
- Nuclear Dynamics
- Nuclear Astrophysics
- Fundamental Interactions
- Related theoretical developments
- Instrumentation and Technical developments
- Interdisciplinary research
- Applications

### Program

The program of the Colloque is available on-line :

<https://ganil2021.sciencesconf.org/program>

A poster session is organized on Tuesday at 4:30 pm to allow presentations of all submitted contributions. The best poster presentation and the best oral presentation by a PhD student will be awarded.

Sessions will take place in the morning and late afternoon. As usual, we ask the interested persons to stay for the full 5 days of the workshop, in order to increase the interactions among participants.

**A room is at the disposition of participants for the organization of smaller meetings or discussion sessions. Please contact the conference secretary if you wish to make use of it :**
